Based in Westlake Village, CA

About Arcutis

We challenge the existing standard of care: With the belief that patients deserve more treatment options, we strive to simplify disease management and optimize drug efficacy, safety, and tolerability.

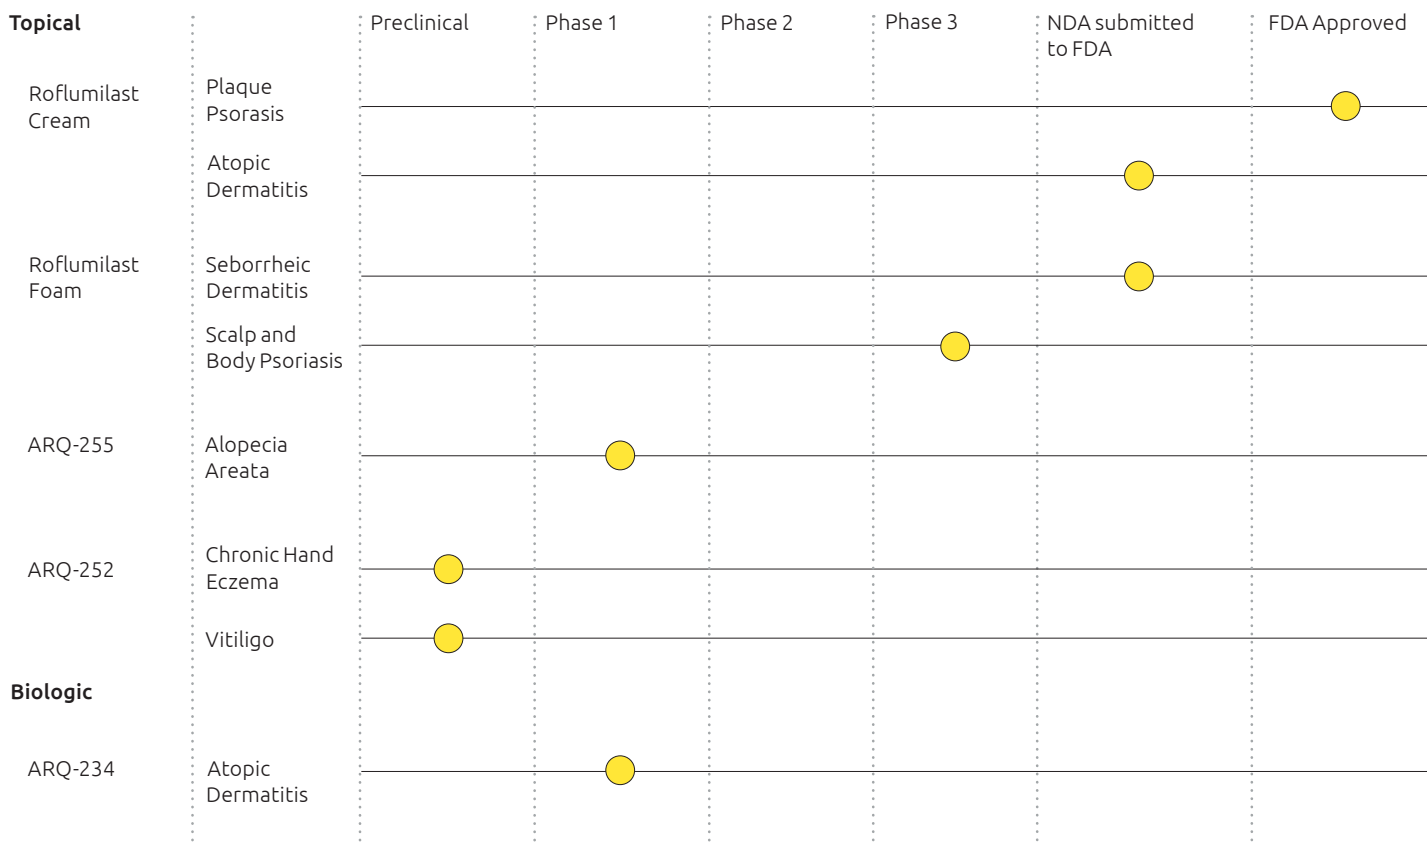

We create with purpose: Our unique dermatology expertise and dermatology development platform fuel our commitment to championing innovation with a focus on unmet needs in the treatment of immune-mediated skin diseases, including plaque psoriasis, atopic dermatitis, seborrheic dermatitis, and scalp psoriasis.

We carry deep medical dermatology expertise: Our executive and management team includes industry leaders with 50+ FDA-approved products among them, 7 dermatology clinicians, and medical dermatology's foremost topical drug formulator.

Our growing portfolio and robust pipeline
